

The Hispanic Foundation of Silicon Valley grew out of a special event, the [Hispanic Foundation Ball](#), which raises awareness about issues affecting the Latino community, promotes volunteerism, celebrates philanthropic leaders, and provides the funding vehicle to support the Foundation's work to improve the quality of life for Silicon Valley Latinos. **This year due to COVID 19 the Ball has been cancelled for the first time in 30 years, but we still need your support!**

Why

The Ball is more than just a party!

50% of our unrestricted funds and 20% of the overall budget are raised at the Ball. These funds support our programs, most of which are now available virtually:

- ❖ **Education Excellence:**
The Hispanic Foundation College Success Center provides a myriad of college-readiness resources and STEM-related classes to close to **2,000 families annually**. To date, **315 Latinos in Technology Scholars**, majoring in STEM, have received scholarships, and the opportunity for a summer internship at a tech company.
- ❖ **Leadership Development:**
The Latino Board Leadership Academy has trained **400 Latino professionals** on how to be successful board members of regional nonprofit organizations.
- ❖ **Conveying and Engaging:**
HFSV serves as a **hub for Silicon Valley Leaders** to convene and engage.

What

- ❖ Keeping the spirit of the Ball alive by celebrating the Hispanic community of Silicon Valley during Hispanic Heritage Month
- ❖ Virtual presentations by Latinos in Technology Scholars
- ❖ Interviews with the beneficiaries of our programs
- ❖ Recognition of corporate supporters and Latino Leaders
- ❖ Fund-a-Need
- ❖ And more!
